

TIME	Monday	Tuesday	Wednesday	Thursday	Friday
9:00-9:20 a.m.	Morning Arrival Time- Children arrive from their busses. Unhurried entry to the classroom. Children get settled in the cloakroom, put their things into their cubbies and then move into the classroom for morning meeting time.				
9:20 – 9:40 a.m.	Morning meeting time: Educators and children meet to start the day. This is a time that is allotted for the children and educators to share how they are feeling, and to discuss any invitations/projects that the children might be invited to participate in.				
9:40 – 10:40 a.m.	1st Inquiry Block: The first inquiry block begins. The children begin to explore different areas in the program. Educators are engaging in small group work with the children or working with individual children.				
10:40 – 11:00 a.m.	Clean up time and Reflection time: The children will tidy their spaces and leave work on project shelves that require re-visiting. The Educators will briefly meet with the children to review the work the children have done during their morning inquiry, an opportunity to share with the large group.				
11:00 – 11:15 a.m.	Transition Time: During this time the children will get ready to go outdoors for their outdoor inquiry, they will have the opportunity to get a drink, use the bathroom before heading outdoors.				
11:15 – 12:15 a.m.	2nd Inquiry Block: During this block of the time the Children and Educators will explore the outdoor environment. On Monday, Wednesday and Friday the children will spend 15 minutes during their outdoor time doing gym activities. On Tuesday and Thursday the children will meet with the Educators to talk about outdoor explorations. The remaining 45 minutes of Outdoor Inquiry the children will be self-managed and the educators will engage in small groups or with individual children.				
12:15 – 12:30	Transition Time: During this time the children with transition indoors from their outdoor inquiry block. They will have the opportunity to use the bathroom, wash their hands, get a drink and get ready for lunch.				
12:30 – 1:15	Lunch Time: Lunch is provided by the MMAK centre. There is great value placed on eating time. Socialization is important, sharing stories while eating will be encouraged. Children will not be rushed, as they finish their meals they will be excused to read books quietly while we prepare for the next meeting time.				
1:15- 1:30 p.m.	Meeting Time: The Children and Educators will meet to talk about what happened during the outdoor inquiry block and prepare for the next inquiry block.				
1:30 – 2:30 p.m.	3rd Inquiry Time: The third inquiry block begins. The children continue to explore different areas in the program. Educators are engaging in small group work with the children or working with individual children.				
2:30 – 2:45 p.m.	Clean up time and Meeting time: Children will tidy their work spaces then the Children and Educators will reflect on the work that the children did during the inquiry block.				
3:00 – 3:15 p.m.	DISMISSAL TIME- Children will go home for the day. Baa Maampili				
3:15 – 4:00 p.m.	Collaboration time for Educators
